DIGICEL GROUP AND YSH FINANCE SIGN AGREEMENT WITH OOREDOO MYANMAR

Monday 2nd December, 2013 – Kingston, Jamaica: Digicel Group and YSH Finance Ltd (comprising Yoma Strategic Holdings Ltd (“Yoma Strategic”) and First Myanmar Investment Co., Ltd (“FMI”) today announced that their reorganised consortium, Digicel Asian Holdings, has signed an agreement with Ooredoo Myanmar to develop, construct and lease telecommunications towers in the Republic of the Union of Myanmar as part of Ooredoo's commitment to deploy a world-class telecommunications network across the country.

Digicel Asian Holdings' company in Myanmar, Myanmar Tower Company, will be amongst the first telecommunications tower companies to begin construction in the Republic of the Union of Myanmar and, through its multi-tenancy towers, will help all telecommunications operating companies achieve their aims of rapidly deploying telecommunications coverage across the country.

Commenting on the announcement, Mr. Denis O'Brien, Chairman of Digicel Group, said; “We are delighted to work with Ooredoo to help develop a high quality telecommunications network across the Republic of the Union of Myanmar, contribute to the growth of the Myanmar economy and benefit Myanmar citizens across all of the country's States, Regions and Union territories.”

Mr. Serge Pun, Chairman of Yoma Strategic and FMI, added; “Today's announcement is a significant step in the economic and social development of the Republic of the Union of Myanmar. We are delighted to play our part in such development and look forward to working closely with the Government, authorities, telecommunications operators and other local companies.”

ENDS

About Digicel

Digicel Group Limited is a leading global telecommunications provider with operations in 31 markets in the Caribbean, Central America and Asia Pacific. After 12 years of operation, total investment to date stands at over US\$4.5 billion worldwide. The company is renowned for delivering best value, best service and best network.

Digicel runs a host of community-based initiatives across its markets and has set up Digicel Foundations in Jamaica, Haiti, Papua New Guinea and Trinidad and Tobago which focus on educational, cultural and social development programmes.

Digicel is the lead sponsor of Caribbean, Central American and Pacific sports teams and individuals including the world's fastest man, Usain Bolt and Special Olympics teams throughout these regions. Digicel also sponsors the West Indies cricket team.
